OTHER INFORMATION

Invitations to compete at the UK Athletics Championships are sent to senior and under 20 athletes only. In exceptional circumstance athletes from the Under 18 age group will also be accepted via agreement with Performance Pathway manager (Dan Wagner).

Certain athletes will have qualified in two (or more) events and may only see their name listed in one. This is because we offer you what is assumed to be your preferred event but we are agreeable to switch or add you to another if you so wish.

Hand timed performances in the 60m, 100m, 200m, and sprint hurdles THAT ALSO HAVE A LEGAL WIND SPEED will be accepted as qualifying performances - as will times in mixed races. We appreciate that many horizontal jumps competitions take place without wind gauges and as such will accept them as qualifiers - provided the athlete has reasonable back up marks.
